

Story of a Tier-3
college boy with
Ambitions.

1. College!!!

Super hectic
schedule. Typical 9-5
college.

College Life

75%
Attendance

Assignments

Monthly
Internals

Cramming

College Life sucks!!!

2.Friends

Not so supportive and

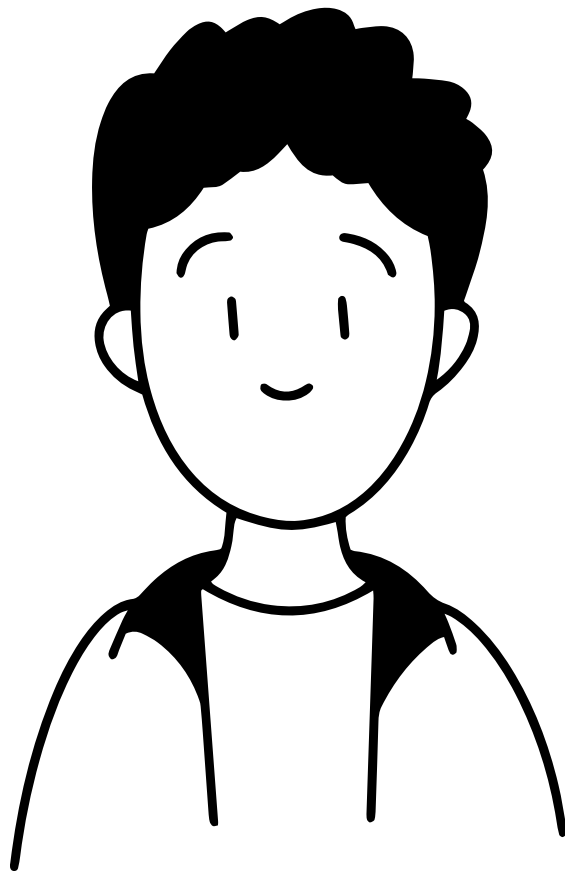

Growth oriented.

Always inclined toward
academics.

Conversation with Friends be like-

You can't do it!!

Come to
classes!!!

Mam scolded
you in the Class

Penalties for
less Attendance

Despite all this did
the boy give up???

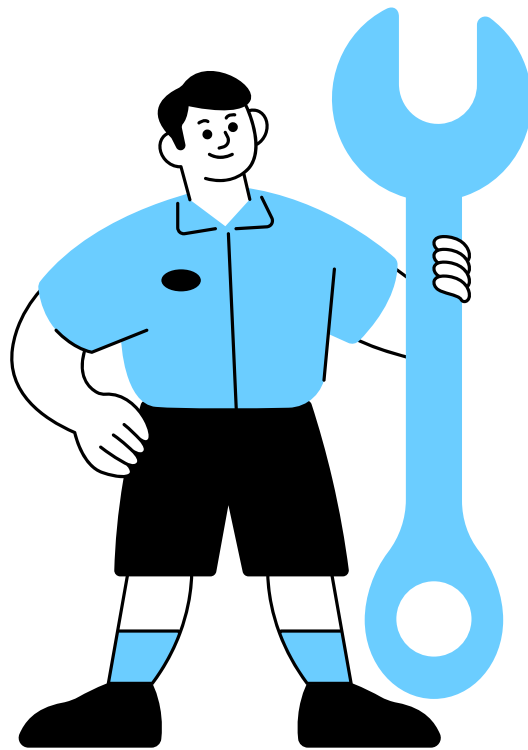

A big **NO!!!!**

The boy is trying his
level best to stand
out!!!

He is staying away
from his toxic people

Building his personal
brand on **Linkedin**

Building his network

Learning relevant
skills

YEAYY!

Skipping his classes
to Learn.

Getting Internships

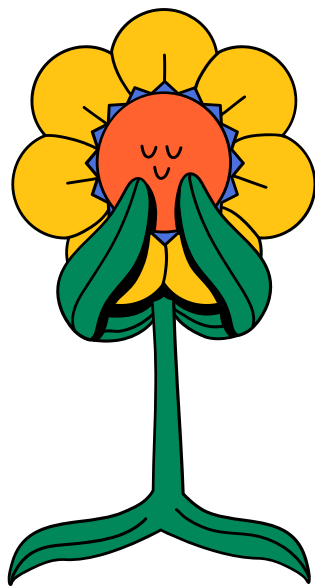

DMing Founders

Started Freelancing

Getting some clients
as well.

This is My Story!!!

And the story of all
students hustling
out there.
